### **Community News/Happenings**

We are so fortunate and grateful for the community support for our Center. Many businesses, organizations and even individuals give their time and money to our Center. There are simple ways we can give back to our community to show our gratitude.

\*Be a Grandfriend. TRI-CAP Head Start visits us on Tuesdays, two times a month. Seniors partner up with children to do art, games, or music at 10:45. Children then eat lunch with their senior friends before loading their school bus. Everyone wins when you choose to be a mentor. The experience is rewarding to the mentor, rewarding to a child, and a beneficial investment for our community's future. Join us Tuesdays, April 12 and 26 at 10:30.

\*Blood Drive at Newburgh United Methodist Church on Wednesday, April 6, 3-8pm at Fellowship Hall.

\*Chili cook-off on Saturday, April 9 at Cricket's in Newburgh. Proceeds go to the Newburgh Volunteer Fire Department.

\*1<sup>st</sup> Annual Newburgh Peeps Show, Saturday, April 9 at Preservation Hall 10am to 4pm to benefit the Newburgh Museum's restoration of the 1885 Chickering Grand Piano.

**Return of "Armchair Travels"** - Friday, April 29- Dale and Janet Waller, will be our guides. The Wallers, experienced travelers, were part of a group from the University of Evansville who recently returned from a trip to exotic India.

## **Health & Wellness Highlights:**

- \*Walking Club meets Fridays at the center at 9:15 a.m. Please see Lisa or Ruth Edgerton to discuss other days/times you may be interested in walking together.
- \*Stay tuned for our Spring Fling walk. If you or a friend uses a wheelchair, we hope you can still join us at the Newburgh Elementary track.
- \*Please see Velda, Lisa, or Kenny Scheessele if you would like to help Artie with the garden this year. We're looking forward to not only the fresh, healthy produce but also fresh air and exercise.
- \*Thanks to the ITT Nursing program, which sends students on Mondays to do blood pressure checks for us.
- \*USI nursing students will be here Wednesday, April 6, will speak on health topics and offer blood pressure checks.
