Lisa Goff, Manager

Welcome to Lisa, the New Manager of the Newburgh Senior Center!!!!

“I am glad to be here and excited to be the new manager of the Newburgh Senior Center. As a Marine, I served my country, and now I am so pleased to be able to serve my community by working here with you. My desire is that you would feel free to discuss any concerns, issues or ideas with me. Pam left such a legacy and my hope is to build on it and make the Center the place you want it to be. Over the next few weeks, my goal is to get to know you, have you get to know me and learn what goes on at the NSC. Thank you so much for your friendly and welcoming spirits! More to come,” **Lisa**

Over the next few weeks, Lisa will give us more of her story, and she will learn about the Newburgh Senior Center. We are all excited to start this next “chapter” of the Center’s history! Many thanks to Suzan Sorensen, Velda Warner, Steve Amos and especially Barb Isaac for “going the extra mile” during the transition from Pam to Lisa.

September was a good month for the Center. Who would have thought that “Butts and Ribs” would have not only been a fundraiser, but a “friendraiser” for us? We had many visitors who didn’t know we were here, who took a tour of the Center as they picked up their orders. Many thanks to the Newburgh Barbeque Coalition who donated their time and talents to support the Center!

A Big Happy Birthday to:

Agnes Spillman-October 02
Joan Holsapple-October 02
Dorothy Morris- October 03
Velda Warner-October 03
Twana Mrock-October 10
Susan Thomas-October 21
Suzan Sorsesen-October 31
